"WITH MALICE TOWARD NONE

Abraham Lincoln

ON THE COVER: An enlargement of the ABNCo portrait of Abraham Lincoln from the card given away(!) at INTERPEX'76 set here in Philadelphia. The full-sized card appears on page 7.

◇

Well, we are coming to the end of another calendar year and what usually is "the season to be jolly". I believe this will be hard to do for many following the disaster of 11 September and the already downward changes in the economy.

This time of year is also when some ardent collectors return to their collections, after the long days of summer respite, and the advent of major philatelic shows. To some, it is the time to reflect on the past year and, for me, that includes philately.

What is happening to our hobby?

In preparing this issue I chanced to go back through some clippings I had put aside for future reference. I note that *Linn's Stamp News* used to periodically publish a "Souvenir Card Guide". No longer! With the end of the ABNCo products, the cancellation of the USPS card program, and the cutback in output from the BEP, I guess they determined there wasn't enough interest to warrant the space for the column.

But, speaking of *Linn's*, their 12 November 2001 editorial page headlined: "Times are tough: stamp publications down." Editor Michael Laurence listed the "Average annual paid circulation" for five philatelic publications for the last five years (I show two):

	1997	2001
<i>Linn's</i>	65,970	55,449
<i>American Philatelist</i>	54,044	50,514
<i>Scott Stamp Monthly</i>	25,060	28,465
<i>Stamp Collector</i>	17,664	15,143
<i>Mekeel's & Stamps</i>	8,159	6,034
Totals	170,897	155,605

As can be readily seen, the only one to increase over that time period was *Scott Stamp Monthly*, probably due to their marketing of discounts on their products to subscribers.

Editor Laurence sites steeply rising postage costs resulting in increased subscription rates, as the publishers are not eligible for the deep sorting discounts "available to mass publications and junk mail. *Linn's*, for instance, with the largest circulation of all stamp publications, still has many fewer subscribers than the nation has zip codes."

Well what about the SCCS and souvenir cards?

In the last issue I recorded member number "2001", which I guess is appropriate for this year. But we don't have that size of a membership! It probably numbers about 20% of that number with members passing away or dropping out. Why? Money? Apathy? Disgust? Any ideas?

The primary source venue we have left is the BEP. This year, the "Untitled Card" program seemed to me to be pretty much of a disaster. They were limited in number produced, could not be ordered in advance, and, apparently, quickly sold out.

The BEP seems to be going that way again for 2002 (as you will see by the report on page 9). I don't have any concern that there are more numismatic cards than there are philatelic ones, other than the fact that some of us started out as philatelists and the numismatic cards don't usually find their way to stamp shows! This obviously limits one potential source of new members/collectors. From the financial side, no new collectors means no one to eventually sell your cards to when you want or need to do so!

There is also the problem of other "limited edition" cards (e.g., the card shown on page 4 and discussed on page 3). For those members who want/need to have everything, issues such as this have got to be initially frustrating and eventually, presumably expensive to obtain.

This is something akin to the ABNCo final issues which were very limited and comparatively expensive. Some members, myself included, were "put off" by the tactic and did not "swim in". Now we have "holes" in our collections. I'll survive them.

So where do we go from here?

◇

Starting on page 31 of this issue is my humble effort to start to straighten out the SCCS Numbering System and, hopefully, produce an accurate and informative catalog. Since the beginning of 1993, when I first took over the reins from Robin Ellis, as editor of this journal, I have tried to show souvenir cards in their actual size. I don't think this is necessary for a catalog, but I do believe that an "illustration is worth a 1,000 words." Consequently, after I establish an agreeable numbering, I will look for illustrations missing from my own collection. I do not have every card!

PRESIDENT'S MESSAGE

Arthur Benjamin (1032)

What a difference a couple of weeks make. I wrote my last president's page on August 29. Two weeks later our world was dramatically changed by the events of 9/11. We have all been affected by it and as we have lost our sense of security and we face a new world with dramatically changing priorities. In the weeks since 9/11 I have seen changes in myself. I look at things like family and country with a greater urgency as I realize what is important and what is not. I find little interest in sports events and I have had long periods where I did not feel like doing anything.

Some of you know that my perspective of the 9/11 events is quite unique. You see I worked in the World Trade Center. I was at my desk on the 92nd floor of the South Tower when the first plane struck the North Tower. Through a series of circumstances I was able to escape the building before the second plane hit. I escaped with some minor physical injury and have had to reconcile why I was so lucky and 176 of my fellow employees perished. People I sat next to and talked to that morning did not survive. So as I said my perception was directly assaulted that horrible day.

In the weeks that passed I sat there watching the TV as I waited for a new place to go to work. I found it hard to concentrate and was totally occupied by the events of 9/11. I attended memorials and group grief sessions as we tried to cope with the enormity of the event. I found some respite as my Yankees made another run for the World Series. But this was a distraction and a momentary relief from the events of the day.

I went back to work and never felt comfortable as I rode the subway or walked through the streets full of police and National Guard. Then the anthrax inci-

dents started to dominate the press. I remember the Sunday that I went to the services of a fellow employee and sat down in my car to hear that we started our bombing of Afghanistan. I was worried if I could get home safely before they closed the bridges for security reasons.

Slowly I have regained my life. I am back at work full time. The premises is not as nice, the staff is vastly different because of our losses. Not everyone is able to go back to working in the city. For many the commute has become a nightmare because of the new location and the damage to the infrastructure of New York's public transportation.

Gradually I have healed, and I knew things were returning to normal when I started cursing other drivers, or honked impatiently at a light when they failed to move quickly.

But the moment of truth was when I sat down to work on my collection. The hours flew and I enjoyed myself. My collection that is a reflection of a lifetime of collecting was one of the stable things that I could connect with and forget about the events of the time. Once again I appreciated my hobby and the pleasure it brings and the relaxation it provides. It is an important part of my life and I suspect it is an important part of yours.

Therefore, as we reach the end of this tumultuous year, I request that you renew your membership and pay your dues. Stick with us for another year, enjoy your hobby, and escape the problems around us.

Special thanks to the active members of our society; we could not succeed without you. I wish you all a Happy Holiday and I wish us all a Happy and Healthy and Peaceful New Year.

DUES RENEWAL

If "2001" appears on your address label, your dues for the new year, 2002, are overdue.
Don't miss an issue of this Journal or the Annual Souvenir Card.

Please respond today! An addressed dues envelope was included in the last issue.
There is a dues notice/application on the back cover.

Dues, check or money order made out to the "SCCS" should be sent to:
Dana M. Marr, Secretary, P.O. Box 4155, Tulsa, OK 74159-0155

Ken Grant (371) in an article in the last issue inadvertently left out the name of Ken Picklo who developed the list with Sanford Fields (see SCJ 21:3, p. 33).

◇

Herb Meisels (3) advises: "Collectors who receive late delivery from the BEP so that they cannot meet the 30-day grace period deadline for show cancels for their cards have an alternative: one week before show, send cover(s) to the show or, if too late, use the 30-day rule to send to the postmaster of the show city."

[I don't wish to tell anyone how to collect, but almost all my show canceled cards are from shows I actually attended. I also do not go "overboard" with multi-stamps or multi-cancels. I try to pick one or two stamps that relate to the show theme, card design, and/or show city. Ed.]

◇

Lee Quast (849) sent along a photocopy (next page) of a new, unannounced souvenir card. It is "a ten year anniversary card for the Ft. Worth printing facility. Apparently while there was to be a celebration, the BEP was not willing to provide a card for the event. So the union produced it with volunteer help. Hence the union bug rather than the BEP on the card (rather unusual). I guess that would make this an 'F' card!?"

"1200 cards were produced, with none sold to the public. Seven hundred for the Ft. Worth employees and another three hundred for dignitaries, VIP's, etc. So that leaves about 200 for other indiscriminate distribution. I was fortunate to get one from a BEP employee and others will slowly leak out. Our members will be interested in knowing about this card."

[This card utilizes the same image of the facility and the outline image of the state as was previously used on the souvenir card produced, also by the Union,

for the International Plate Printers Die Stampers and Engravers Union of North America (IPPDSEUNA) for their Eighty-Seventh International Convention held in Fort Worth, TX, 20-26 April 1997 (see Second Quarter 1997, SCJ 17:2, pp. 3-4). At that time, a "limited edition" of 1,000 cards were produced and they were made available to the public (maximum of five per order). It does make one wonder why this latest card is/was not similarly available. I will discuss this further in my column "As I See It" on page C-2 of this issue. As always, I invite your comments. Ed.]

IN MEMORIAM: DONALD W. HITCHCOX

Herb Meisels (3)

[Donald Willard Hitchcox (6 October 1911-17 April 2001) passed away in Alamo, CA after a battle with colon cancer. He leaves two daughters, nine grandchildren, nine great-grandchildren, and two great-great grandchildren.

Donald was born and grew up in Elkhart, IN, and married his wife Dorothy in 1933. They shared the same birthday with Donald being nine hours older. They migrated to California in the late 1930s. Dorothy preceded Donald in death in October 1967. Donald moved to Santa Rosa in 1972 where he resided until three months before his death.

Donald was a retired machinist/production manager with a life-long passion for stamp collecting including errors. He later broadened his interest to include currency and souvenir card collecting which also included errors. Donald was SCCS 2 and wrote on errors for this Journal since its beginning. He stopped his series only when he advised that he "could find no more errors." His death is a great loss to the Society. *Requiescat in pace!* Ed.]

I was distressed to learn of the death of Donald Hitchcox. He was a great guy always willing to share information on souvenir cards varieties and errors. When any unusual EFO occurred he would contact the BEP and report the complete story in his "Souvenir Card Errata" column in the Journal.

He had the only known copy of the Fresno souvenir card (B 3) with inverted buildings which he purchased for \$8,500 from a Chicago dealer. He also liked to match the numismatic souvenir cards with the original currency. He also accumulated the most complete collection of show-canceled souvenir cards including the ANA 1971 (B 12) of which only three have surfaced.

Anyone interested in acquiring items from this splendid collection might contact his daughter: Mrs. Sue Lindstrom, 64 Stonington Court, Danville, CA 94526-2632.

Abraham Lincoln

LINCOLN'S GETTYSBURG SPEECH.

NOVEMBER 19, 1863.

FOURSCORE AND SEVEN YEARS AGO OUR FATHERS BROUGHT FORTH ON THIS CONTINENT A NEW NATION, CONCEIVED IN LIBERTY, AND DEDICATED TO THE PROPOSITION THAT ALL MEN ARE CREATED EQUAL.

NOW WE ARE ENGAGED IN A GREAT CIVIL WAR, TESTING WHETHER THAT NATION, OR ANY NATION SO CONCEIVED AND SO DEDICATED, CAN LONG ENDURE. WE ARE MET ON A GREAT BATTLEFIELD OF THAT WAR. WE HAVE COME TO DEDICATE A PORTION OF THAT FIELD AS A FINAL RESTING-PLACE FOR THOSE WHO GAVE THEIR LIVES THAT THAT NATION MIGHT LIVE. IT IS ALTOGETHER FITTING AND PROPER THAT WE SHOULD DO THIS.

BUT, IN A LARGER SENSE, WE CANNOT DEDICATE—WE CANNOT CONSECRATE—WE CANNOT HALLOW—THIS GROUND. THE BRAVE MEN, LIVING AND DEAD, WHO STRUGGLED HERE, HAVE CONSECRATED IT FAR ABOVE OUR POOR POWER TO ADD OR DETRACT. THE WORLD WILL LITTLE NOTE OR LONG REMEMBER WHAT WE SAY HERE, BUT IT CAN NEVER FORGET WHAT THEY DID HERE. IT IS FOR US, THE LIVING, RATHER, TO BE DEDICATED HERE TO THE UNFINISHED WORK WHICH THEY, WHO FOUGHT HERE, HAVE THUS FAR SO NOBLY ADVANCED. IT IS RATHER FOR US TO BE HERE DEDICATED TO THE GREAT TASK REMAINING BEFORE US—THAT FROM THESE HONORED DEAD WE TAKE INCREASED DEVOTION TO THAT CAUSE FOR WHICH THEY GAVE THE LAST FULL MEASURE OF DEVOTION; THAT WE HERE HIGHLY RESOLVE THAT THESE DEAD SHALL HAVE NOT DIED IN VAIN; THAT THIS NATION, UNDER GOD, SHALL HAVE A NEW BIRTH OF FREEDOM; AND THAT GOVERNMENT OF THE PEOPLE, BY THE PEOPLE, FOR THE PEOPLE, SHALL NOT PERISH FROM THE EARTH.

2002 Souvenir Card and Intaglio Print Subscription Service Features Front and Back Treasury Notes.

The Bureau of Engraving and Printing (BEP) participates in various numismatic and philatelic shows throughout the year. BEP creates souvenir cards to commemorate the majority of the shows it attends. These souvenir cards provide the general public with the opportunity to collect engravings of historic currency notes and stamps.

BEP is pleased to announce the 2002 souvenir card subscription service for mint, post office canceled souvenir cards and two intaglio prints. A post office canceled (POC) souvenir card is a card that has been stamped and hand canceled by the United States Postal Service (USPS). USPS uses the Visitor's Center cancellation containing the date of the card's first day of sale. This year's cards will represent front and back treasury notes.

The 2002 souvenir cards are truly a very limited edition. Last year the BEP offered 4,300 mint and 2,700 POC cards. For the 2002 souvenir card program, BEP will only offer 3,950 mint cards and 1,150 POC cards.

We guarantee that subscribers will receive every souvenir card included in the mint and/or post office canceled subscription, if they order by 31 December 2001. BEP will mail each souvenir card and intaglio print after its first day of sale [see schedule below].

BEP will release announcements on individual cards throughout the year.

American Numismatic Association (ANA) Atlanta, Georgia – August 2001

The \$10 Treasury Note also known as a Coin Note was authorized by the Act of July 14, 1890, and was issued to pay for silver bullion purchased by the Treasury. These notes were the first issued by the federal government bearing the title "United States of America" on the face. All earlier notes issued by the federal government read "United States."

The face of this \$10 Treasury Note, Miscellaneous Die 3677, features a portrait of General Philip H. Sheridan. The die was completed in September 1890 by engravers Lorenzo Hatch, George U. Rose, Jr., William H. Dougal, John R. Hill, David M. Cooper, Edward M. Hall and William G. Phillips.

[Reproductions of the two cards scheduled to be released at the FUN show in January 2002, as received by fax from the BEP, are included on the next two pages. The numismatic souvenir card was cropped at the right. Ed.]

The \$100 Treasury Note, also known as a Coin Note, was authorized by the Act of July 14, 1890 and was issued to pay for silver bullion purchased by the Treasury. The \$100 and \$1000 denomination Treasury Notes were the highest denominations issued in the Series of 1890 and 1891. This allowed the Treasury to increase currency in circulation more quickly with fewer notes. The extra workload forced plate printers and other Bureau employees to work 2-1/2 to 3-1/2 hours of overtime.

The face of this \$100 Treasury Note, Miscellaneous Die 3672 features a portrait of Admiral David Farragut, the only naval officer to be featured on the Treasury Note series. The die was completed in August 1890 by engravers George U. Rose, Jr., William H. Douglass, Edward M. Hall, David M. Cooper, John R. Hill, and William A. Copenhagen.

Sarah Livingston Jay

One of the pastimes of many of us card collectors is going to antique dealers or used bookstores to search for old engravings. Sometimes, I'm rewarded by finding cards linked to my other hobby, genealogy. The illustration (opposite page) is of Mrs. John Jay, born Sarah Van Brugh Livingston (1756-1802). It is based on a painting by Alonso Chappel and was engraved for Johnson, Wilson & Co., Publishers, New York.

She is descended from my seventh great-grandfather Robert L. Livingston (1664-1728). He was a land agent in the New York colony and acquired thousands of acres along the Hudson River including the estate known as Clermont. Robert had two grandsons who were signers of the Declaration of Independence. They were Phillip "the signer" (1716-1778) who represented New Jersey and Robert R. "the Chancellor" (1776-1813) who represented New York and served on the committee to write the declaration with Roger Sherman, Benjamin Franklin, and Thomas Jefferson.

Another Livingston grandson was William (1723-1790), brother to Phillip and the wartime governor of New Jersey. William is the father to Sarah, the young lady pictured in the engraving. That makes her my second cousin six times removed. On April 28, 1774

she married John Jay (1745-1780) the future first Chief Justice of the Supreme Court. He served over nine months (1778-9) as President of the Continental Congress. He later was the U. S. ambassador to both Spain and France. Sarah was 11 years his junior, but their marriage was a love match said to rival only that of John and Abigail Adams among the Founding Fathers. She accompanied him abroad and was known affectionately as "Sally."

In the immediate postwar period, Sarah was acknowledged as queen of New York City society. On her exclusive invitational guest list was the cream of society including a dozen Livingston cousins who were scions of New York aristocracy. As the new U.S. Constitution was being debated among the states, her husband John Jay participated with Alexander Hamilton and James Madison in writing a series of essays later known as *The Federalist Papers*. Both Hamilton and Madison married another two of my cousins, a daughter of General Peter Schuyler and Dolley Payne, but that's a tale for another article.

I know that these are not security engravings within the regular bounds of our hobby, but I consider them allied forerunner material. The beauty and the artistry of this engraving cannot be denied. Compare it with those of Jay and Sarah (below) from contemporary paintings. As an American history teacher, this gives me personal contact with my subject.

SOME NOTES ON BEP SOUVENIR CARDS

John Parker (1546)

This article deals with last year's BEP 2000 Souvenir Card program. The BEP's infinite wisdom decided to celebrate the new century with a card for each month of the United States most outstanding accomplishment over the past 100 years or for each decade since 1900. This seemed like a good idea when the project was conceived, but the subjects didn't capture the buying public's taste.

The BEP had their slowest amount of sales with the 12 souvenir cards, probably since the souvenir card beginnings in 1969.

The BEP has continued to use the same cream color card stock for the last five years for their souvenir cards. The BEP must have bought 10 million pounds of cream colored card stock from an Ebay auction. The only reason why I would mention the cream color card stock is the the images on the 2000 cards get lost or are muted on the souvenir card without any color on the card. Most of the landscape scenes on the 2000 cards either had a flat look and the image just didn't jump off the paper and look that impressive of past BEP steel-engraved items.

After I first viewed the January 2000 card (reduced, below) from the BEP press release, my first thought was how could this year's card be enhanced to our

souvenir cards membership. The cards were not that expensive at \$5.00 each, but multiply that number by 12 cards and it got to be the largest offering by the BEP, ever since 1969.

The number of souvenir card members who collect show canceled cards has dwindled from over 300 to less than 75 produced for each BEP show.

I discussed the 2000 year program with several major secondary market makers about the 12 card program. Most of the dealers just wanted to do show cancels for the monthly cards whenever the BEP attended and offered the cards at a show or convention which they attended.

Art Benjamin, our president, decided that the hard core members would like to get an FDOI cancel for the Washington, DC post office. I believe that Art had 17 or 18 members whom accepted this offer.

I was able to convince several dealer and just a few members to collect dual canceled cards. The first cancel was from Washington, DC on the first day that they were available from the public [usually the first day of the month]. I got a personal friend of the BEP to take off a half of day of work, to buy the cards and go to the local post office and cancel the cards with

The March, June and October 2000 intaglios (reduced) with thematic stamps and cancels.

The November 2000 intaglio (reduced) with thematic stamps and cancels.

thematic stamps related to the image on that month's souvenir card. A lot of time and effort went into pulling this feat off. Once that step was completed then part two had to fall in place. The other portion of the dual cancel card had to be completed, if the BEP attend a numismatic or stamp show I had to pay someone to get those cards canceled or either mail off the cards to a post office that had a post office cancel to correspond with the image on the card. With everybody's help, I did enlist over a dozen different people to pull off the aggressive 2000 BEP souvenir card. Lucky for me I didn't lose or make any

mistake in pulling off getting 45 monthly souvenir cards dual canceled every 30 days.

Be sure to check my ad in this quarter's journal and contact me with any questions or comments about the BEP 2000 programs at j.a.parker.anc@juno.com

SOME MORE SOUVENIR CARDS

A. Stephen Patrick (1397)

[Somewhat in response to Lee Quast's article and your editor's prompting in the last issue of this Journal (see "An Interesting Piece!" SCJ Third Quarter 2001, 21:3, p. 30) I obtained a few more items from the very creative author, and I illustrate here some other souvenir cards from his collection. Ed]

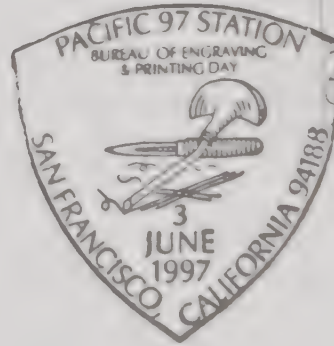

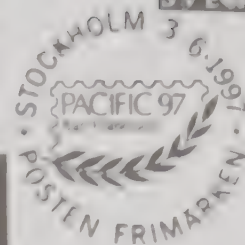

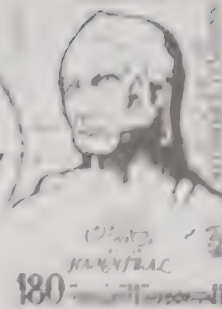

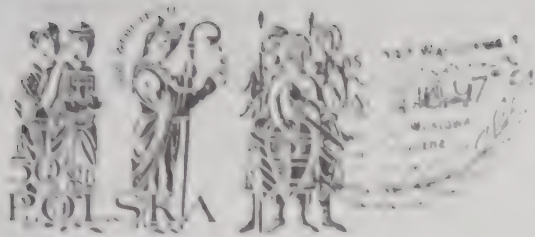

From PACIFIC'97 I acquired the Czeslaw Slania portrait (opposite page) and had it canceled by various countries who had agents at the show, and for whom Mr. Slania had designed and engraved postage stamps (some of the stamps used on the card). Mr. Slania was at the show and was kind enough to autograph the card (bottom center). {For more information on Mr. Slania, who, if still alive, turned 80 on 22 October 2001, see the Fourth Quarter 1996 (SCJ 16:4, p. C2) and First Quarter 1997 (SCJ 17:1, pp. C2 and 3). Slania, born in Poland, moved to Sweden in the

1950s and is the engraver of many postal issues from many countries including the U.S.A. There is/was a Slania Study Group, P.O. Box 1382, Milwaukee, WI 53201.

Another card from PACIFIC'97 is shown (page 20) with FDOI cancels for the two stamps honoring the first two issues of the United States issued at the show as well as some thematic issues for San Francisco.

On the following two pages are two cards commemorating the life and times of President John Fitzgerald Kennedy.

[I suspect there are more of you out there who have acquired some interesting souvenir cards that the other members might like to see! Ed.]

JFK NEW FRONTIER philatelically speaking

With a good conscience our only sure reward, with history the final judge of our deeds, let us go forth to lead the land we love, asking His blessing and His help, but knowing that here on earth God's work must truly be our own.

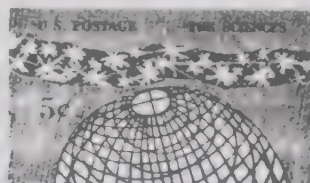

And so, my fellow Americans: ask not what your country can do for you—ask what you can do for your country. My fellow citizens of the world: ask not what America will do for you, but what together we can do for the freedom of man.

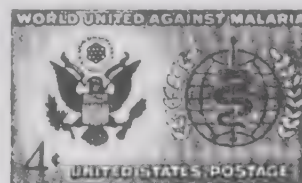

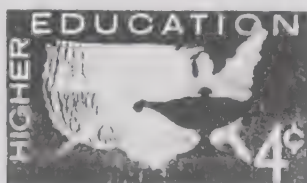

The energy, the faith, the devotion which we bring to this endeavor will light our country and all who serve it—and the glow from that fire can truly light the world.

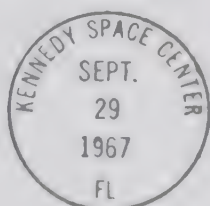

In the long history of the world, only a few generations have been granted the role of defending freedom in its hour of maximum danger. I do not shrink from this responsibility—I welcome it.

Now the trumpet summons us again—not as a call to bear arms, though arms we need—not as a call to battle, though embattled we are—but a call to bear the burden of a long twilight struggle, a struggle against the common enemies of man: tyranny, poverty, disease and war itself.

Let every nation know, whether it wishes us well or ill, that we shall pay any price, bear any burden, meet any hardship, support any friend, oppose any foe to assure the survival and the success of liberty.

Let the word go forth from this time and place, to friend and foe alike, that the torch has been passed to a new generation of Americans.

John Fitzgerald Kennedy

35th President of the United States

Born May 29, 1917

Inaugurated January 20, 1961

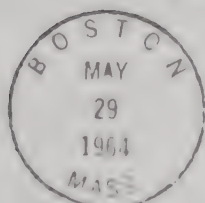

Died November 22, 1963

And to my fellow Americans ask not what your country can do for you - ask what you can do for your country.

My fellow citizens of the world: ask not what America will do for you, but what together we can do for the freedom of man.

DEPARTMENT OF THE TREASURY
BUREAU OF ENGRAVING AND PRINTING
WASHINGTON, D.C.

This engraving, printed from a plate prepared from the original master die, is a replica of the obverse of the \$5 Silver Certificate, Series 1899.

The Indian in the design is a likeness of Ta-to'-ka-in'-yna-ka, who was also known as Running Antelope. Several publications have identified the portrait as "Onepapa." The Bureau of American Ethnology, Smithsonian Institution, attributes this to a typographical error for "Oncpapa," the tribe of Sioux to which Running Antelope belonged. This is the only issue of United States paper money for which an Indian was selected as the central feature.

A photograph, taken in 1872 by Alexander Gardner, which is on file at the Smithsonian Institution, was used as a model for the portrait. The only difference between the photograph and the engraved portrait is the war bonnet which was added by the Bureau's modeler. G. F. C. Smillie engraved the portrait in 1899.

The Silver Certificate/Series 1899 bears the image of Chief Running Antelope of the Sioux Hunkpapa or Uncpapa, not Chief Onepapa as it is often mislabeled. The error is that the artist (engraved by G.F.C.

JOINT STAMP ISSUES

FEDERAL REPUBLIC OF GERMANY AND UNITED STATES OF AMERICA

APRIL 29, 1983

Die Postverwaltungen der Vereinigten Staaten von Amerika und der Bundesrepublik Deutschland würdigen die 300-Jahrfeier des Beginns der deutschen Einwanderung in die Vereinigten Staaten durch die gleichzeitige Herausgabe je einer Sonderbriefmarke, die das Segelschiff "Concord" zeigt.

Im Jahre 1683 verliess die "Concord" London. An Bord befanden sich 13 Familien, die auf der Suche nach religiöser Freiheit von Krefeld, einer Stadt im heutigen Nordrhein-Westfalen, den Weg in die Neue Welt angetreten hatten. Die Einwanderer waren am 24. Juli 1683 in London aufgebrochen und landeten am 6. Oktober 1683 in Philadelphia. Sie kauften Land in Pennsylvania und gründeten die Stadt Germantown, die heute ein Stadtteil von Philadelphia ist.

Die Herausgabe dieser Briefmarke ehrt den Mut, die Ausdauer und die Zielstrebigkeit jener ersten Einwanderer und all derer, die ihnen folgen sollten. Die amerikanische und die deutsche Briefmarke wurden beide von Richard Schlecht, einem Amerikaner deutscher Abstammung aus Arlington in Virginia, entworfen. Da kein Bild der "Concord" aufzufinden war, beruht der Entwurf der Marke auf vorhandenen Beschreibungen des Schiffes.

The United States Postal Service and the Postal Administration of the Federal Republic of Germany are commemorating the tricentennial of German immigration to the United States by the joint issuance of postage stamps featuring the Concord.

In 1683, the Concord sailed from London, carrying 13 families making their way to the New World from Krefeld, which is now in North-Rhine Westphalia, in search of religious freedom. The immigrants sailed on July 24, 1683, and landed in Philadelphia on October 6, 1683. They purchased land in Pennsylvania to build the community of Germantown, which today is part of Philadelphia.

The issuance of these stamps salutes the courage, stamina and motivation of those first immigrants and all who followed in their footsteps. Both the U. S. and German stamps were designed by Richard Schlecht of Arlington, Virginia, who is an American of German descent. Since a picture of the Concord was not available, his design is based upon written descriptions of the ship.

JOINT STAMP ISSUES

29 April 1983

In 1983, the United States and Germany both issued stamps commemorating the 300th Anniversary of German immigration to the United States. Both stamps were reproduced on this souvenir card with text in both German and English. The stamps picture the sailing ship *Concord* on which 13 families from Krefeld in North-Rhine Westphalia left Germany in search of religious freedom. They settled in Germantown which is now part of Philadelphia.

According to a Ken Lawrence article in *Linn's Stamp News*, of 24 May 1993, a scholar, Don Heinrich Tolzman, at the University of Cincinnati has con-

cluded that Germans settled here much earlier—18 members of the British colony at Jamestown, VA, as early as 1608, were German immigrants who worked as glassblowers, wine merchants, and tobacco farmers. Tolzman also found evidence of Germans in Massachusetts after 1630, in Maryland after 1660 and in the early Dutch colony of New Amsterdam (New York). He explained some of the confusion on the similarity of the words "Deutsch" (German) to "Dutch."

HAMBURG '84

HAMBURG, FEDERAL REPUBLIC OF GERMANY

JUNE 19 – 26, 1984

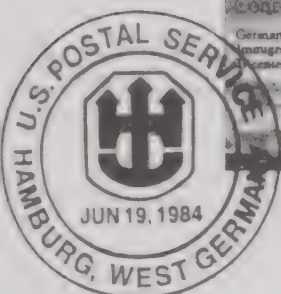

This souvenir card, issued by the United States Postal Service, honors the Universal Postal Union on the occasion of Hamburg '84, the international philatelic exhibition held in conjunction with the 19th Congress of UPU. Reproduced here is a replica of a United States stamp issued in 1963 to mark the centennial of the first international postal conference, organized by U.S. Postmaster General Montgomery Blair. Also appearing is a reproduction of a Federal Republic of Germany stamp of 1949 recognizing the achievements of Heinrich von Stephan, Initiator of the first UPU Congress.

Cette carte souvenir est émise par le service postal des Etats-Unis en l'honneur de l'Union postale universelle à l'occasion de l'exposition philatélique "Hambourg 84" qui se tiendra en même temps que le XIXème Congrès de l'UPU.

Au-dessous se trouve une reproduction du timbre émis en 1949 par la République Fédérale d'Allemagne en hommage à Heinrich von Stephan, qui prit l'initiative de réunir le premier Congrès de l'Union postale universelle.

Diese Andenkenkarte der amerikanischen Postverwaltung würdigt den Weltpostverein anlässlich der internationalen Briefmarkenausstellung in Hamburg 1984, die zusammen mit dem 19. HAMBURG'84
19 June 1984

In the text of the HAMBURG'84 souvenir card issued by the U.S. Postal Service in conjunction with the international philatelic exhibition in Hamburg, Germany, the word "anlässlich" is incorrectly spelled "anlaszlich" in the second line of the German text. According to an article in *Linn's Stamp News* (2 July 1984, p. 29) an inquiry to the USPS first assumed it was a typographical error that was not caught. In checking further, "the use of the word is not entirely wrong, just archaic. The spelling might have been correct 100 or so years ago."

MAIL BID AUCTION: FOURTH QUARTER 2001 Ken Barr (407)

A diverse selection of material is included in this sale, heavy in popular mint BEP and SO cards. Nothing earthshaking, but hopefully something (or two or three or more) of interest to all.

The Second Quarter 2001 sale was fairly disappointing, with only around \$2,800 in sales and \$420 net return to the Society treasury. The Third Quarter 2001, to close a few days after this is being written, looks fairly weak as well. Let's hope that these two sales are aberrations, and results will pick up with this offering.

Consignments still remain "on hold" since I am scheduled to be PAROLED early next year after ten years as Auction Manager. Harry Corrigan will be picking up the duties with either the First Quarter or Second Quarter auction depending on how we work out the transition. Stay tuned for info from Harry regarding accepting new consignments.

AUCTION BIDDING RULES

1. MAIL BID CLOSING DATE: BIDS MUST BE RECEIVED BY THE AUCTION MANAGER NO LATER THAN FEBRUARY 20, 2002.

2. Send all bids and auction correspondence to the Auction Manager: Ken Barr, P. O. Box 32541, San Jose, CA 95152. Telephone inquiries may be made until 10:00 PM Pacific time at 408-272-3247. E-mail bids may be sent to "bids@kenbarr.com".

3. Bid by lot number only. Multiple item lots will not be broken. The earliest postmark will decide tie bids. Duplicate lots may be available; feel free to indicate if you want more than one copy of any lot(s).

4. Bid processing will be done manually, so special instructions can be given. "OR" bids ("bid \$10 on lot 101 OR 102, one lot only") are acceptable, as are "maximum expenditure" limits ("please limit total winning bids to \$100 maximum"). Feel free to bid on any lots desired with the security that your winnings will be limited to the amount specified.

5. All items will be sold to the highest bidder. Bid reductions will generally not be made unless noted on special high-value lots.

6. Please observe a minimum bid of \$5 per lot. Some lots have higher minimums, denoted as MB \$xx in the lot description. Estimates (EV \$xx) are for infor-

mation only, and have either been provided by the consignor, the current SCCS catalog, or the Auction Manager.

7. Lots will be shipped via insured U. S. Mail unless otherwise requested. Postage and insurance charges will be included in the bidder's invoice.

8. Successful bidders are to remit payment in full in U. S. funds within five days of receipt of their invoice. Late payments may disqualify the bidder from participation in future auctions.

9. Returns are acceptable within ten days of receipt of shipment. Please specify reason for return (damage, mis-attribution, etc.). Mistakes on bidder's part are not sufficient reason for return.

10. The Auction Manager reserves the right to withdraw any lot and to reject unrealistic bids.

11. A "Prices Realized" list will be available shortly after the auction. All bidders and consignors will receive copies. Others may obtain one by sending a self-addressed stamped envelope to the Auction Manager.

12. Members wishing consignment information should write to the Auction Manager for details.

TOWARDS A NEW CATALOG

◇

In preparing this current article, I have reviewed my previous thoughts on the subject and have come to the following conclusions, based on several factors, primarily the lack of response from the membership. The only member that has responded with an offer to help has been **Dick Moore**, who was, along with **Steve Goceliak**, primarily responsible for the production of the illustrated catalog of the Metro Chapter Four souvenir cards. My conclusions are as follows:

(1) A separate catalog does NOT seem to be supported by the membership. The time and energy for me to produce it, obviously, would take away from the time to produce this Journal. **Dr. Curt Radford's** 1989 catalogue replaced an entire year of issues of this Journal. I believe that absence in communication and contact resulted in a loss of membership. Consequently, I am planning to incorporate a catalog within a portion of each forthcoming issue, the size of which has yet to be determined.

(2) In that regard, incorporating such a catalog in the center of an issue as a "pull-out" exercise—not unlike the *Playboy* "bunnies", with staple holes in their belly buttons, that I remember in my youth—I think the result would be a "destroyed" issue for those who keep back copies for reference purposes. Therefore, my current intention is to place the material in the back of an issue following the auction.

(3) Incorporation into the Journal, would allow for expansion/contraction depending on the quantity of article input, without any interruption of timely production. It would not require separate production costs. Members who wished to have a consolidated catalog, i.e., in one handy place, could simply photocopy the pages and, should they so desire, three-hole punch them for a ring binder. This would also allow for frequent updates once the catalog is completed for the known existing cards.

(4) What is a catalog? For me, the primary purpose is to provide a means of identification. This is very hard to do with words alone, so it will be necessary to provide illustrations of the cards. Metro's catalog

uses full-size illustrations, as do I when showing recently issued cards in this Journal. The problem with that in a catalog is the amount of space required to accommodate the illustrations. This is compounded for me by the simple fact that I do not possess all the cards that exist. I would like to show MINT copies of the cards—unless there are some that only exist canceled—in a reduced but usable format.

(5) What to include? I would suggest a starting point being a list of the basic known cards, i.e., BEP, PS, SO, and National and Chapter issues. (My initial thought of renumbering the "SO" cards has been modified as there appear to be no more being issued.) Cards from other sources, e.g., FMA, IPPU, etc. would require further research, i.e., a basic list that members might add to. I have asked **John Parker** and **Lee Quast** (ASC) for a list of what they have produced cards, most if not all of which were printed by **Mike Bean**, who, I suspect, is also the printer of some (all?) of the FMA issues.

Dr. Radford listed quantities issued, canceled, etc., and included a valuation. How is "value" to be determined and is it necessary? *Scott* "values" are usually arbitrarily "discounted" (usually 50%) by dealers/collectors with the result being whether one is buying or selling. The true "value" of an item is what someone will pay, or be paid, for it. Beyond **Dr. Radford's** "quantities", I myself have little information on production, sales, and/or destruction figures to add, although some BEP quantities have been previously published in this Journal.

(6) Numbering. I do not plan to change the PS, B, and SO numbers, although there are a couple from the 1989 catalog that I choose not to include, e.g., some of the overprinted cards of the Milwaukee Philatelic Society and those cut-down by the ANA or others. The numbers of the National and Chapter cards are to be changed, with Metro's cards following their new numbering system. (That system includes numbers for "officially" produced canceled cards.) What needs to be reviewed is the so-called "Forerunner" designation. I believe this was originally established to allow for "finds" as they occurred, which is difficult once a numerical system is established.

I collect chronologically and the listings that follow are based on that. As can readily be seen, some of the resultant numbers are "out of order" based on when the cards were originally incorporated into the "SCCS system."

This listing is intended to alert the membership and serve as an update of the SCCS numbering system. Numbers are shown in "()" until confirmed and will be deleted when no longer available ("NA") from the initial sources. It is as complete as possible and no responsibility is taken for changes. Anyone who can supply missing ("?") information and/or data concerning availability should please contact the Editor. I also list other forthcoming shows. Whether or not souvenir cards will be issued at these shows will be reported if and when such information becomes available.
